PRESS INFORMATION

Global Equity Partners sells its shares of flat cable producer I&T GmbH

Vienna (12.1.2009). Global Equity Partners Beteiligungs-Management AG sold its shares of I&T GmbH, which have been in the portfolio since 2006, through a management buy-out.

I&T GmbH located in Siegendorf is producing extruded flat cables for the automotive industry. The company possesses a worldwide unique know-how for wiring solutions and has well-known customers in the automotive industry. Global Equity Partners has bought the insolvent company in 2006 and been working to stabilize the company since then. With the new owner, the former managing director Harald Reiszner, the company will continue its expansion path.
